ABSTRACT

This is the third report by the Central Staff Office on the age group and sex of students attending the State University of New York. The tables in the main body of the report array four fundamental student characteristics: age, sex, level (undergraduate/graduate), and load (part time/full time). Individual tables are provided for each institution as well as institutional types. Summary tables in Part One, which provide information by institutional type, also include percent distribution tables. Two supplementary tables give age group data for first-time, full-time undergraduate students. The last part of the report incorporates trend data covering the period Fall 1974 through Fall 1976. INTRODUCTION

This is the third report published by the Central Staff Office of Institutional Research and Analytical Studies which provides comprehensive data on the age group and sex of students attending the State University.

The tables in the main body of this report array four fundamental student characteristics:

Age
Sex
Level (undergraduate/graduate)
Load (part-time/full-time)

Individual tables are provided for each institution as well as institutional types. The summary tables in Part One, which provide information by institutional type, also include percent distribution tables. In the case of the Health Sciences Centers and Buffalo Center, separate data is provided for students in first-professional degree programs. In addition, there are two supplementary tables included in the Appendix which provide age group data for first-time, full-time undergraduate students. This year's report also includes a new section (Part Three) incorporating trend data covering the period from Fall 1974 through Fall 1976.

We would like to express our appreciation to those individuals on the campuses who are responsible for providing this office with data. Our gratitude is also extended to this office's statistical staff of Mses. Gorden, Hallenbeck and Waingrow, who were responsible for the editing and verifying of the data; and the typing staff of Mses. Dallmann, Jegier and VanHattum, who prepared the final typescript for publication; and Ms. Healey, who was responsible for the proper distribution of the publication.
